Exciting News

Johnston Lawrence has always focused on how we can provide you, and all our clients, with better service. We have continually aimed to provide the best service, in the best timeframe and for the best value.

We've realised that more and more of our clients need access to a wider range of specialists and larger resources to meet their needs. Particularly for those of our clients who need that extra help when they are doing something different, which is occurring more than ever as the number of our clients grow.

To achieve better results, we're pleased to announce that from **1 August 2019**, Johnston Lawrence is merging with Morrison Kent. In terms of our day-to-day dealings, nothing will change – we will just have greater access to further resources and, over a period of time, it is likely that we will continue to grow and provide services in additional areas of the law.

Following the merger, we'll be located in Morrison Kent House, at 105 The Terrace. Access to our reception is either from our entrance on the Terrace, or at 206 Lambton Quay (taking the lift up from Farmers). Rest assured our existing team will still serve your needs, and our fees will remain as they are now.

We are all very excited about the benefits that this merger will provide to our clients and our team. Clients like you are really important to us and this merger will mean we can look after you even better.

Please call us if there is anything you would like to discuss regarding the merger, or we can expand on this the next time we meet.

Kind regards

Peter Barrett / Natalie Smith
