## Session One:

### **REGIONAL COUNCIL LAND USE RESTRICTIONS AND NES FRESHWATER / HEALTH AND SAFETY FOR LAND OWNERS**

Thursday 12 November - 12 pm - 1pm

Morrison Kent - Level 3 1118 Fenton Street Rotorua

#### **LAND USE RESTRICTIONS AND REGULATION - WHAT YOU NEED TO BE CONSIDERING NOW IN RESPECT OF LAND USE IN THE FUTURE**

Hear from Lee Matheson of Perrin Ag consultants and understand how regulation of land uses is changing and what you need to be thinking about regarding future land use.

We will discuss some of the challenges land owners need to be aware of when moving from single to mixed land use including nitrate agreements and nitrate trading (opportunities and pitfalls), the impact of regional and district planning directions on land use options, and managing multiple land uses and farming systems, and the potential impact of the National Environmental Standards for Freshwater.

Whatever you are doing now, you will be doing it differently in the future. What do you need to be planning for?

#### **HEALTH AND SAFETY FOR RURAL LAND OWNERS**

Hear from Graham Bates of Worksafe and De Anne Brabant of Morrison Kent with some real life stories and examples about Health and Safety obligations as the land owner from policy to implementation.

Identifying where in the chain of responsibilities the land owning Board sits and what every Board needs to be doing to keep itself safe and meet its obligations under the Worksafe legislation. How early in the process those obligations arise and what they look like through the forestry cycle.
